Importance: High

Hi all,

As a follow up to this morning's staff meeting, attached is an updated version of the specific contacts for the Action items from the Indian Nation meeting. I have highlighted the items that have WD assigned. Please take a look and let me know if changes is needed. I'd appreciate it if you can get back to me today, this is due back to Grant by COB today.

Thanks,
Virginia

As a follow-up to Walter's email on Tuesday, requesting input on the Indian Nation Action Items, I have heard back from Public Affairs, LSASD and SEMD (verbal on some matters; additional info is needed regarding specific contacts for action items). Attached is a redline version of the draft sent on Tuesday. **Input is requested back to Grant and I by COB Tuesday the 4th.** Much appreciated.
